29 October 2018

Dear Stakeholder

Re: Invitation to Zimbabwe Regional Internet Peering and Interconnection Workshop

The Postal and Telecommunications Regulatory Authority of Zimbabwe (POTRAZ) is pleased to invite you to attend an important two-day regional peering workshop that will discuss strategies for developing the local and regional (cross-border) Internet peering and interconnection ecosystem.

This event organized in partnership with the African Union Commission and the Internet Society, will take place from the **12th – 13th of November, 2018 at the Rainbow Towers Hotel in Harare, Zimbabwe**, and will bring together key government and industry stakeholders from the SADC region.

Participants will be given an up-to-date view of the regional Internet landscape and exposed to global best practices related to identifying, negotiating, and securing peering agreements in order to maximize the value they can bring to their subscribers.

Whilst it is recommended that both senior management and technical staff attend both days, management is requested to, at least, be present on the first day, 12 November 2018.

Online registration is now open at www.potraz.gov.zw. You can also confirm your attendance by RSVP to Sandra Nyangoni on land: +263 242 333032 or mobile +263 773003911, or by email to peering@potraz.gov.zw.

A copy of the agenda is attached herewith. For further clarifications please contact the undersigned.

Yours Faithfully,

Dr. G.K. Machengete
DIRECTOR GENERAL
